If additional fees are required to keep the application pending, or if a refund is owed, please charge or refund deposit account 503036.

Applicant intends to submit a preliminary amendment but has not yet finished it, and it is for that reason that the 3 month temporary suspension is requested. The previous amendment that was filed in response to the office action but that was not entered is requested to be entered.

Applicant's attorney wishes to thank the Examiner for the courtesy extended in the telephone call of September 15, 2005, in which it was attempted to get clarification from the Examiner as to what exactly was required to put the objected to claims into allowable form. However, since we were unable to get an explanation, this RCE is being filed.

The Examiner is asked to contact applicant's attorney at 503-224-0115 if there are any questions.

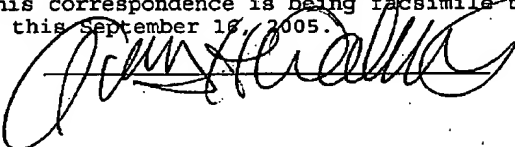

Respectfully submitted,
